- **Children's Equity Act**

OPM implements the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self Plus One or Self and Family coverage in the PSHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child or children.

If this law applies to you, you must enroll in Self Plus One or Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no PSHB coverage, your employing office will enroll you for Self Plus One or Self and Family coverage, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self Plus One or Self and Family, as appropriate, in the lowest-cost nationwide plan option as determined by OPM.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the PSHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that does not serve the area in which your children live, unless you provide documentation that you have other coverage for the children.

If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for PSHB coverage, you must continue your PSHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that does not serve the area in which your children live as long as the court/administrative order is in effect. Similarly, you cannot change to Self Plus One if the court/administrative order identifies more than one child. Contact your employing office for further information.

For annuitants who are required to be enrolled in Medicare Part B as a condition to continue PSHB coverage in retirement: If you enroll in Medicare Part B and continue PSHB coverage in retirement, the child equity law applies to you and you cannot cancel your coverage, change to Self

Only, or change to a plan that does not serve the area in which your child(ren) live as long as the court/administrative order is in effect. You cannot be compelled to enroll or remain enrolled in Medicare Part B to maintain your PSHB enrollment as a condition to satisfy a court/administrative order. However, if you do not enroll (or remain enrolled) in Medicare Part B as required to continue your PSHB coverage in retirement (notwithstanding an existing court/administrative order), you will not be able to continue your PSHB coverage in retirement.

- **When benefits and premiums start**

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage and premiums begin on January 1. If you joined at any other time during the year, your employing or retirement office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service), and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or family members are no longer eligible to use your health insurance coverage.
