Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a tax credit that lowers your monthly premiums. Visit [www.HealthCare.gov](http://www.HealthCare.gov) to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing PSHB coverage. We also want to inform you that the Patient Protection and ACA did not eliminate TCC or change the TCC rules.

- **Finding replacement coverage**

If you would like to purchase health insurance through the Affordable Care Act's Health Insurance Marketplace, please refer to the next Section of this brochure. We will help you find replacement coverage inside or outside the Marketplace. For assistance, please contact your Local Plan at the phone number appearing on the back of your ID card, or visit [www.bcbs.com](http://www.bcbs.com) to access the website of your Local Plan.

Note: We do not determine who is eligible to purchase health benefits coverage inside the Affordable Care Act's Health Insurance Marketplace. These rules are established by the Federal Government agencies that have responsibility for implementing the Affordable Care Act and by the Marketplace.
