

**2026 Blue Cross and Blue Shield Service Benefit Plan - FEP Blue Focus**  
**Section 5(f). Prescription Drug Benefits**  
**Covered Medications and Supplies**

---

## **Benefits Description**

### **Smoking and Tobacco Cessation Medications**

If you are a covered member, you may be eligible to obtain specific prescription generic and brand-name smoking and tobacco cessation medications at no charge. Additionally, you may be eligible to obtain over-the-counter (OTC) smoking and tobacco cessation medications, prescribed by your physician, at no charge. These benefits are only available when you use a Preferred retail pharmacy. The Quit Plan is not required for those covered under the FEP Medicare Prescription Drug Program.

Note: There may be age-restrictions based on U.S. FDA guidelines for these medications.

The following medications are covered through this program:

- Generic medications available by prescription:
  - Bupropion ER 150 mg tablet
  - Bupropion SR 150 mg tablet
  - Varenicline 0.5 mg tablets
  - Varenicline 1 mg tablets
  - Varenicline starting pack
- Brand-name medications available by prescription:
  - Nicotrol cartridge inhaler
  - Nicotrol NS spray 10 mg/ml
- Over-the-counter (OTC) medications

#### Notes:

- To receive benefits for over-the-counter (OTC) smoking and tobacco cessation medications, you must have a physician's prescription for each OTC medication that must be filled by a

pharmacist at a Preferred retail pharmacy.

- Regular prescription drug benefits will apply to purchases of smoking and tobacco cessation medications not meeting these criteria. Benefits are not available for over-the-counter (OTC) smoking and tobacco cessation medications except as described above.
- See Section 5(a) for our coverage of smoking and tobacco cessation treatment, counseling, and classes.

**You Pay**

Preferred retail pharmacy: Nothing (no deductible)

Non-preferred retail pharmacy: You pay all charges
